

**REMARKS**

In accordance with the foregoing, claims 1, 4, 12, and 17 have been amended, and claims 5 through 9 have been cancelled. Claims 1, 3, 4, 10 through 12 and 17 are pending and under consideration.

Claims 2, 2-12 and 17 are rejected under 35 U.S.C. §112, first paragraph. Initially, it should be noted that claim 2 was cancelled. The Examiner objects to the phrase "data form capable preventing interpelation." The word "data" has been eliminated in this phrase to overcome this rejection.

On page 13 of the office action, the Examiner indicates that claim 6 contains allowable subject matter. Claim 6 has been cancelled. Limitations corresponding to those of allowable claim 6 have been incorporated into the independent claims (claims 1, 12 and 17). At least in view of the Examiner's indication of allowability, these claims should be allowable. The remaining claims 3, 4, 10 and 11 depend on claim 1. Accordingly, these claims should also be allowable.

There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courtesy solicited.

If there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
